

NATIONAL CONFERENCE ON EMERGING TRENDS AND TECHNIQUES IN FORENSIC INVESTIGATIONS

29th - 30th July, 2024

ORGANIZED BY

UNIVERSITY OF LADAKH
and
NATIONAL FORENSIC SCIENCES UNIVERSITY, GUJARAT

IN COLLABORATION WITH

THEME

- WILDLIFE FORENSICS
- FORENSIC GENETICS
- INVESTIGATION APPROACHES IN FORENSIC
- CUTTING-EDGE TECHNIQUES AND FORENSICS
- CRIME, SOCIETY, EMERGING FORENSIC NEEDS

CONFERENCE FEATURES

- INAUGURATION OF MOBILE FORENSIC VAN
- KEYNOTE LECTURES FROM RENOWNED EXPERTS ON THE THEME OF THE CONFERENCE.
- ROUND TABLE SESSIONS AND INFORMAL MEETINGS AMONG THE PARTICIPANTS.
- PLATFORM NETWORKING/COLLABORATIONS.

VENUE: LEH CAMPUS, UNIVERSITY OF LADAKH, UT LADAKH

CHIEF PATRON:

Brig. (Dr.) Shri B.D. Mishra (Retd.)
Hon'ble Lieutenant Governor,
Union Territory of Ladakh
& Chancellor, University of Ladakh

CO-PATRON:

Dr Pawan Kotwal
Advisor to Hon'ble Lieutenant Governor, UT
& Pro- Chancellor University of Ladakh

CHAIRMEN:

Prof. (Dr) J.M Vyas, Vice Chancellor,
National Forensic Science University,
Gujarat

Prof S.K Mehta, Vice Chancellor,
University of Ladakh,
Ladakh UT

CO-CHAIRMEN:

Prof. (Dr) O.S Junare, Director,
National Forensic Science University, Gujarat

Dr. Subrat Sharma, Dean Research Studies,
University of Ladakh

CONVENERS:

Dr Qutsia Tabasum, Coordinator,
Dept. of Forensic Science, UoL

Dr Asif Hussain, OSD to HLG
Ladakh UT

ORGANIZING SECRETARY:

Dr Mohd Hussain,
Dean Science, UoL

JOINT ORGANIZING SECRETARIES:

Dr Stanzin Angmo, Assistant Professor,
Department of Forensic Science, UoL

Dr Basharat Ali, Assistant Professor,
Department of Zoology, UoL

JOINT SECRETARY:

Dr Ibrahim Yousuf, Assistant Professor
Department of Geology, UoL

Dr Amjad Hussain, Assistant Professor,
Department of Zoology, UoL

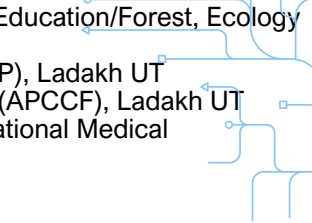

TREASURER:

Ms Stanzin Dolkar, Assistant Professor,
Dr Mohd Hassan , Assistant Professor,
Dept of Mathematics
UoL

NATIONAL ADVISORY COMMITTEE

- Dr V. Namasivayam, IAS, Commissioner/Secretary, Health & Medical Education/Forest, Ecology & Environment
 - Dr S.D Singh Jamwal, IPS, Additional Director General of Police (ADGP), Ladakh UT
 - Mr B.M Sharma, IFS, Additional Principal Chief Conservator of Forest (APCCF), Ladakh UT
 - Dr Yogender Malik, Member Ethics and Medical Registration Board National Medical Commission (NMC), New Delhi
 - Dr O.P Chaurasia, Director, DIHAR- DRDO, Leh
 - Mr Sajad Hussain Mufti, IFS, Regional Wildlife Warden, Ladakh UT
 - Prof. V.K Jain, President, NACS, Ahmadabad, Gujarat
 - Dr Ajay Guar, Senior Principal Scientist, LaCONES, CSIR-CCMB, Hyderabad
- 

ORGANIZING COMMITTEE

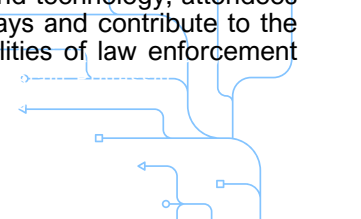

- Mr. Dhawan K. Rawat, IFS, Deputy Director, Forensic Science Laboratory, UT Ladakh
- Dr Sonam Joldan, Dean Academic Affairs, UoL
- Dr Jigmet Deachan, Dean Student Welfare, UoL
- Dr Riyaz MK Khan, Dean School of Earth Sciences, UoL
- Dr Abhishek Sharma, Director, HEAL, Chandigarh
- Dr Padma Angmo, Psychiatrist, SNM Hospital, Ladakh UT
- Ms Nasreen Bano, Assistant Controller Drugs /Controlling Authority Member Secretary UT, LPRMU
- Mr Jigmet Stobdan, Dept of Commerce, UoL

ABOUT THE CONFERENCE

The National conference on Forensic Science stands as a distinguished assembly committed to explore and discuss the forefront breakthroughs in forensic science and its role in crime resolution, justice provision, and law enforcement. It provides a forum where experts, scholars, professionals, and policymakers convene to exchange insights, disseminate best practices, and delve into the latest developments shaping the landscape of forensic science.

Centered on fostering collaboration and embracing interdisciplinary methods, the conference tackles an extensive array of subjects encompassing forensic techniques, technologies, and methodologies. It incorporates crucial topics ranging from forensic genetics, wildlife and role of cutting-edge techniques in investigation of crime scenes, providing comprehensive coverage essential to the forensic science field. By shedding light on these interconnected areas, the conference seeks to provide attendees with a thorough understanding of the evolving landscape of forensic science and its implications for modern society.

The conference aims to offer comprehensive insights into the latest developments and trends within the field of Forensic Science, emphasizing both academic research and practical applications. In an era defined by significant advancements in science and technology, attendees will gain a profound understanding of the pivotal role that innovation plays and contribute to the investigation and resolution of crimes, ultimately reinforcing the capabilities of law enforcement agencies.

BACKGROUND

Forensic conferences play a crucial role as essential gatherings for professionals from various disciplines to meet, exchange knowledge, and tackle the latest developments, hurdles, and policy considerations in forensic science. These events provide fertile ground for networking, collaboration, and the presentation of pioneering research, technological breakthroughs, and best practices. By fostering interdisciplinary conversations, education, and global partnerships, forensic conferences drive progress, improve forensic methodologies, and uphold the integrity and efficacy of forensic science in the pursuit of justice and societal welfare.

SCOPE

The conference is centered around delving into, discussing, and progressing key subjects, trends, and innovations within forensic science. This encompasses advancements in forensic technologies, emerging challenges in investigations, the fusion of forensic science with other fields, ethical and legal dimensions, and the resulting implications for policy and application. Its objective is to offer a forum where experts, practitioners, researchers, and policymakers can exchange insights, share experiences, and work together to bolster the efficiency, credibility, and relevance of forensic science in tackling present-day societal issues and complexities.

ABOUT LADAKH

Ladakh is a high-altitude mountainous area bordered by the Karakoram Range to the north and the Great Himalayas to the south. Ladakh, sometimes known as "Moonland" due to its unusual lunar terrain, is brimming with incredible physical characteristics situated in vast and breathtaking surroundings. For over a millennium, the area was an autonomous mountain monarchy of strategic importance. The royal capital, Leh, was a significant Asian crossroads and a halt on the old trans-Himalayan migratory routes that connected Central Asia to the Indian subcontinent.

Ladakh is located around 1010 kilometres (approx.) from New Delhi via Manali and 1055 kilometres (approx.) via Srinagar by road. Many flights of about an hour duration (Air India, Vistara, Indigo, etc.) depart mostly from Delhi, Srinagar, Chandigarh, and Jammu.

ABOUT MOBILE FORENSIC VAN

The launch of the Mobile Forensic Van (MFV) represents a significant advancement in forensic capabilities, particularly in the realm of crime scene management and evidence collection. This innovative facility patented with the title Mobile Forensic Van under the name of inventors Dr JM Vyas and Dr Pooja Ahuja from National Forensic Science University, Gandhinagar, Gujarat is an initiative which brings together a range of cutting-edge tools and expertise to support law enforcement agencies in their investigations. One of the key features of the MFV is its ability to provide early assistance at crime scenes by conducting preliminary spot tests and facilitating the collection and packaging of forensic evidence. This early intervention can be crucial in preserving and documenting evidence effectively, which is essential for successful prosecution in criminal cases. The utilization of modern mobile forensic technologies represents a crucial step forward in addressing the challenges posed by hi-tech crimes. By equipping forensic scientists with new skills and techniques, the MFV enables them to adapt to evolving criminal methodologies and effectively combat cybercrimes and other sophisticated offenses.

ABOUT UNIVERSITY OF LADAKH

University of Ladakh, established in 2019, is the only trans- Himalayan Institute of higher learning and research. The University has two Campuses in Leh and Kargil and six constituent degree colleges. The University is offering core and applied academic programs including courses and research programs specific to Himalayan, trans-Himalayan and South and Central Asian regions not ordinarily available in other universities in the country. The University is catering the students passing out from various schools and colleges spread over more than fifty thousand square kilometres of the vast Ladakh region.

The University is trying hard to provide its students with the opportunity to reflect on life and get to realize their potential by excelling higher education. University will play a significant role in the transformation of our country and region in the coming years. University Website Link: <https://uol.ac.in/>

STATEMENT OF PURPOSE

The Statement of Purpose for our forensic conference embodies our steadfast commitment to academic excellence, scholarly dialogue, and the advancement of forensic science knowledge. It reflects our dedication to creating a dynamic intellectual platform where researchers, academics, and practitioners converge to explore the latest developments, share insights, and foster collaborative endeavor. Embracing the ethos of academic rigor and innovation, our conference endeavor to showcase groundbreaking research, facilitate peer-reviewed presentations, and ignite meaningful discussions that propel the field forward. By nurturing a culture of curiosity, collaboration, and collegiality, our Statement of Purpose seeks to inspire intellectual curiosity, cultivate academic excellence, and forge lasting connections that enrich the scholarly community and drive positive change within Forensic Science.

GUIDELINES FOR ABSTRACT SUBMISSION

Technical, scholarly, practical and original contributions are invited for presentation and discussion during the National Conference. The authors are invited to Register and to submit a one-page (maximum 300 words) abstract of their paper on the identified Sub-Theme in the google form by scanning the QR Code or via the link given below. Format for abstract would be in MS Word, Times New Roman, in 12 point, one and half line spacing, along with the details of authors and co-authors including email ID's and mobile numbers. The authors of the accepted abstracts shall be informed for Oral or Poster Presentation. Accepted abstracts of the participants for poster presentation have to prepare the posters that should be in 2 x 3 ft dimension and furnished with title, authors name, affiliation, introduction, material and methods, result, discussions and conclusions. Abstracts sent by email or hard copies will not be accepted.

REGISTRATION FEES

OCCUPATION	FEES
Delegate	Rs 3000/-
Corporate/Industry	Rs 5000/-
Research Scholar	Rs 1000/-
Students	Rs 500/-

PAYMENT DETAILS

Bank Details:

Account Name: symposium/conference
Account Number: 0773040520000003
Branch: SNM Hospital
IFSC Code: JAKA0SNMLEH

ACCOMMODATION

Arrangement will be made on the payment basis to accommodate the participants in the Hotels in the city. Delegates may book their accommodation directly online. Tentative rates are as follows :
Economy Hotels: Rs 2000-3000/night/person
Deluxe 3-Star Hotels: Rs 3000-7000/night/person

CONTACT DETAILS

Dr. Qutsia Tabasum
Department of Forensic Science
University of Ladakh,
Leh 194 101 (Ladakh UT), India Ph: +91-9596231519

D

- DEADLINE FOR ABSTRACT SUBMISSION ALONG WITH REGISTRATION FORM AND FEE: 18th July 2024
- ACCOMMODATION INFORMATION OPENS: 19th July 2024
- NOTIFICATION OF ABSTRACT ACCEPTANCE: 20th July 2024
