About University of Ladakh

The University of Ladakh was established in 2019 and is the first Trans-Himalayan Institute of higher learning and research. The University has its headquarters both in Leh and Kargil. The University has four campuses viz. Taru, Stakna (Leh District), Kurbathang, Khumbathang (Kargil District), and six-degree colleges as constituent colleges. The University is offering core and applied academic programs. The University also offers courses and research programs specific to Himalayan, Trans-Himalayan and South and Central Asia regions not ordinarily available in other Universities in the country. The University is catering the students passing out from various schools and colleges spread over more than fifty thousand square kilometers of the vast Ladakh region. University of Ladakh started its first academic Programs from 2020 with ten (10) Master's Degree Programs in both campuses. With the intent to pursue research activities the University is also offering Ph.D. Programs in various domains. The University provides its students with the opportunity to reflect on life and realize their potential by excelling higher education. We strongly believe that this University will play a significant role in the transformation of our country and our region in the coming years. Through our educational, research and social contributions we will shape the future of our society. This confidence in our programs and belief in public good will be our motivation to work tirelessly and decisively.

ADMISSION 2026-2027 NEP 2020

Come and Learn at the Top of the World

Prof. (Dr.) Saket Kushwaha
Hon'ble Vice Chancellor,
University of Ladakh

Message from VC

As the Vice Chancellor of the University of Ladakh, it is my distinguished privilege to extend a formal invitation to all students who aspire to pursue higher education. Founded in 2019, the University of Ladakh is the first trans-Himalayan university, dedicated to academic excellence and service to the Ladakh region. We offer a comprehensive spectrum of programs—undergraduate, postgraduate, integrated, and PhD—across diverse disciplines. Each course is meticulously designed to meet the evolving needs of students, taking into account both the global changing scenario and the specific present-day requirements of Ladakh. Our mission is to cultivate students who are deeply rooted in local context while being prepared to thrive in a rapidly changing global landscape. Join us, and be part of a transformative academic journey bridging tradition, innovation, and the future in the heart of the Himalayas.
