

Mutual Agreement Deed

for adoption of Government Middle School Taru by University of Ladakh.

Dated: - 27-04-2022

It is a pleasure to come with a resolution on an agreement between the University of Ladakh and Taru villagers with the following conditions: -

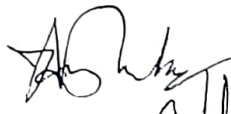

1. As requested by the Taru villagers and agreed by the Vice Chancellor, University of Ladakh, the University of Ladakh will adopt the Middle School of Taru village and will take the full responsible for academic as well as other development of the school from today onwards.
2. The University has assured the villagers to provide two additional Nursery trained teaching staff in addition to the staff provided by Education Department UT Ladakh.
3. The University has assured the villagers to provide School Bus service for children and staff on all working days within Taru village for transportation of students.
4. The University will ensure full monitoring of the School regarding academic and will help in providing teachings learning aids whenever possible.
5. The University will provide a (primary) caretaker like Nanny for the small children.
6. The villagers will ensure to bring their children for admission in Government Middle School Taru and will try to increase the rolls as much as possible.
7. The community will ensure to give full support and cooperation whenever the school is in need for its proper functioning and strengthening.
8. All the stakeholders will monitor and give full support for smooth function of the school.

Vice Chancellor, University of Ladakh,
(Prof. S.K. Mehta)
