

UNIVERSITY OF LADAKH

Department of Mathematics

(LEH CAMPUS, TARU-THANG-LEH LADAKH)

PRESS RELEASE

Dated: 27.03.2023

27TH MArch, 2023: University Of Ladakh and Indian National Young Academy of Sciences (INYAS) jointly celebrated G20 awareness program on environmental and socio economical issues of Ladakh region. The Department of Zoology, Dept. Of Mathematics and Dept. Of Forensic Science jointly arranged this program. Dr. Mohd Hussain was the convener of the program, Dr. Sharanjeet Dhawan as Co-convener and the other organizing members were Dr. Amjad Hussain, Dr. Stanzin Angmo, Dr. Zahoor Ahmad Rather, Mr. Tundup Namgyal and Dr. Qutsia Tabasum, University of Ladakh. The Respected Registrar and Assistant Registrar of the University of Ladakh graced the occasion with their presence. While addressing the gathering the Registrar encouraged and emphasized the students for adoption of innovative skills in their routine activities in order to protect and preserve the fragile environment of Ladakh. Further focusing on tourism, the respected Registrar mentioned the importance of saving of water in the midst of tourism season in the region. He stressed on the participation of student volunteers to aware the visiting tourists regarding the saving of water and proper garbage disposal in the region.

According to the schedule, the programme started with Quiz competition in which eight teams participated from different schools of Leh city viz. Govt. Boys Higher Secondary School Leh, Govt. Girls Higher Secondary School Leh, Kendra Vidyalaya and Jawahar Navodaya Vidyalaya. The 1st position was secured by K.V team while second and third position were secured by J.N.V Leh and Govt. Girls Hr. Sec. School Leh respectively. This was followed by a speech competition with each participant delivering a unique and thought-provoking speech on a topic of their choice within the given themes.

Sonam Ladol of UOL, Bhuvi Pandita of K.V. Leh and Liyaquat Ali of UOL secured 1st, 2nd and 3rd positions respectively by impressing the judges with their confidence, delivery, and use of language.

The last event was a photography exhibition cum competition where students of University of Ladakh namely Padma Angmo, Stanzin Yaoutan & Mudasir Ahmed Mir secured 1st, 2nd & 3rd positions respectively. The program ended with a vote of thanks delivered by Dr. Amjad Hussain, Dept. Of Zoology, University of Ladakh. The program was a successful event as a build activity towards Y20 as well.
