Program Report

Subject: UOL Mathematics club celebrated National Mathematics Day 2022 by organizing webinar

December 22, 2022, on the occasion of *National Mathematics Day 2022*, UOL Mathematics Club, Department of Mathematics, Leh Campus, University of Ladakh organized a One day webinar on “Windowed Fourier frames applied to PDEs focusing elliptic PDEs” under the convenorship of Mr. Mohsin Ali(Coordinator, Department of Mathematics).

Professor Samir K Bhowmik, Professor, Department of Mathematics, University of Dhaka, Bangladesh, India was the lead speaker. The session was inaugurated at 02:30 pm by Hon’ble Registrar Prof. Ashok Kumar Sharma, University of Ladakh. He addressed the participants focusing on the importance of Mathematics Day being celebrated as birth anniversary of the great Indian Mathematician Srinivas Ramanujan and also acknowledged the efforts of UOL Mathematics Club for organizing such programmes. He also thanked Professor Samir K Bhowmik for sparing time. Dr Sharanjeet Dhawan (Convenor, UOL Mathematics Club) gave a brief introduction about the speaker.

The session was concluded at 03:30 by presenting formal word of Thanks by Dr. Zahoor Ahmed Rather, Assistant Professor, Department of Mathematics, UOL. The whole event was planned and organised by the students of UOL Mathematics club: Mr. Tsering Namgail, Miss Padma Lhamo (M.Sc. II Semester) and Miss Choskit Dolma, Mr. NawangNamgail (M.Sc. IV Semester).
